

Advancements in Macromolecular Characterization Workshop: June 28, 2018

McGill University

**McGILL CHEMISTRY
CHARACTERIZATION**

**MAASS Chemistry Building
Ruttan Room (OM321)
801 Sherbrooke St W
Montreal, QC H3A 0B8**

12:00 - 12:30pm -

Welcome and Lunch

12:30 – 3:00pm - GPC Workshop

Join Tosoh Bioscience & PolyAnalytik At This Free Workshop!

- **Multi-Detection GPC Methods**
- **Introduction to EcoSEC® GPC System Technology**
- **Unique GPC Methods for Polymer, Biopolymer and Protein Applications**

This is a great opportunity to discuss the challenges in your analysis, as this event is intended to be an interactive forum.

Complimentary lunch is included.
