Your applied **research internship**...

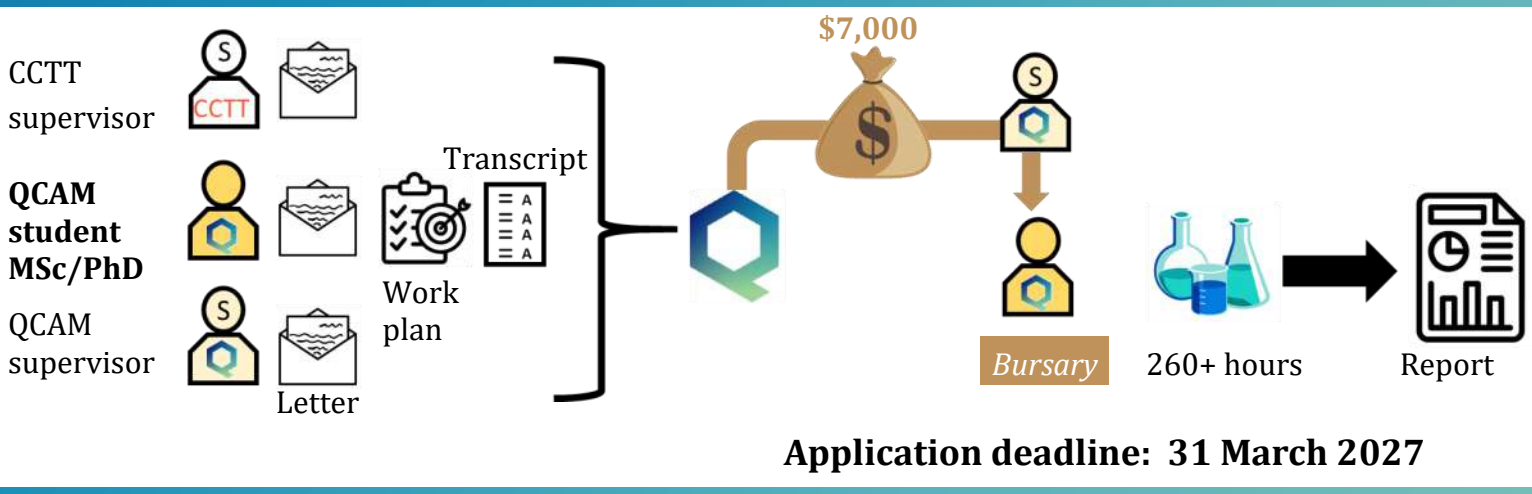

...at a College Technology Transfer Centre (CCTT)

QCAM
Quebec Centre for Advanced Materials

Full list of CCTT

The team and the application

Application deadline: 31 March 2027

The evaluation criteria

Full programme rules

The *Réseau des CCTT* is a network bringing together 59 College technology transfer centres (CCTT) throughout Quebec. These innovation and applied research centres work closely with businesses, organisations, municipalities, and government ministries to improve processes, products, and practices, helping enhance competitiveness, productivity, and performance.
